

LED

Model	Ref.No.
SN-T	8A/C

Technical Parameter	
Length:	60cm
Lamp power:	10W
Net weight:	242g
Voltage:	AC 85V-265V, 50-60Hz
Number of leds:	144 SMD LEDs
Color:	Natural/White/Cool White
Beam angle:	120°
CRI:	>80
Luminous flux:	800lm/900lm
Color temperature:	4000K/5000K/6000K

ALIGHT WITH INSPIRATION

Model	Ref.No.
SN-T	8B/D

Technical Parameter	
Length:	120cm
Lamp power:	18W
Net weight:	430g
Voltage:	AC 85V-265V, 50-60Hz
Number of leds:	288 SMD LEDs
Color:	Natural/White/Cool White
Beam angle:	120°
CRI:	>80
Luminous flux:	1600lm/1800lm
Color temperature:	4000K/5000K/6000K

LED

Model	Ref.No.
SN-T	8E/F

Technical Parameter	
Length:	150cm/240cm
Lamp power:	24W/36W
Net weight:	570g/780g
Voltage:	AC 85V-265V, 50-60Hz
Number of leds:	360 SMD LEDs/576 SMD LEDs
Color:	Natural/White/Cool White
Beam angle:	120°
CRI:	>80
Luminous flux:	800lm/900lm
Color temperature:	4000K/5000K/6000K

ALIGHT WITH INSPIRATION

Sino Opto LED tube uses high quality pure aluminum material with reasonable structure to provide good heat dissipation, high brightness and life time up to 50,000 hours without any maintenance.

Application sites:

Hotels, shopping malls, hospitals, display cabinets, home decoration, office, library and other indoor places. (Sino Opto LED tube can be used to retrofit existing fluorescent installations in all types of applications.)

More ecologically responsible:

- ◆ Contain no mercury and lead
- ◆ Generate no ultraviolet or infrared radiation
- ◆ No flicker; Light comes on instantly when turned on.
- ◆ Energy saving up to 85%
- ◆ Comply with CE, RoHS, UL and ISO standards

Information above is subject to change without notifications. Please verify data with Sinoopto before purchasing.
